## Solemnity of the Body and Blood of Christ

Bread is necessary for humans to sustain their physical lives. Jesus came down from heaven as spiritual bread to nourish our souls. Our souls cannot survive without this life-giving bread.

We make bread from the plants or trees using their leaves, stems, roots, seeds, or nuts. Besides, we also nourish ourselves by eating the fruits, fish, and meat of animals and birds. The food production involves a partial or full sacrifice of life of plants or animals. Likewise, our spiritual food requires the sacrifice and death of Jesus. By his self-sacrifice, Jesus became our living and life-giving bread for our souls.

In the Lord's prayer, Jesus taught us to pray, "Give us this day our daily bread." That bread is not just the physical bread that we make or buy from market, but the supernatural bread, the Holy Eucharist. God fed Israelites with manna daily in the desert for forty years for their physical survival until they reached the promised land. Jesus is nourishing the Christians with another supernatural bread, his body and blood, until we reach heaven, the next and perfect promised land.
